

STUDENT LIFE FEE

Why a Student Life Fee?

Briercrest is well understood to be a community of learning that calls students to seek the kingdom. This good work occurs at many times and in many ways throughout the time of a Briercrest education. Outside of the classroom, it is the responsibility of Student Development to carry forward this mission in the lives of students.

Many of the supports, resources, and perks of being a student at Briercrest are sustained through a general Student Life Fee that was instituted to ensure that all Briercrest students have access, regardless of individual participation, due to the benefit that is then available to all.
